

Current Process for Hydrant Rental Meters

The time period for a hydrant permit use is from April 15 to October 15 of each year.

Below is a explanation of our procedure and the process of bulk water sales.

- Hydrant must be on same side of the street, (no hoses can cross the roadway)
- \$200.00 deposit for a .75" or a 1" hydrant rental meter
- \$1,000.00 deposit for a 1.5" hydrant rental meter
- Consumption is charged \$3.49 per 100 cu. ft.
- There is a \$25.00 monthly process fee
- Deposits are made at 105 Main St., Painesville, OH, 3rd Floor Engineering, Attn: Tonya (Please note that we do not accept credit or debit cards.)
- Hydrant rental meters are picked up at the East End Service Center located at 3815 Lane Rd. Ext, Perry, OH
- Monthly meter readings are required and are to brought into the East End Service Center; or you may email a picture of the meter reading to Maryhelen.Gilkey@lakecountyohio.gov
- When the project is finished the rental meter is to be returned to the East End Service Center; at that time you will be given a receipt for the return
- Tonya will calculate the usage along with the monthly service charge, these amounts will be deducted from the deposit; she will issue a refund and/or an invoice, they are normally processed within 2 weeks

(Please note that the dollar amount stated maybe subject to change)
